Village of Broderick  
Box 29  
BRODERICK SK S0H 0L0

Attention Waterworks Owner/Operator:

**RE: Precautionary Drinking Water Advisory for *the Village of Broderick*: - Rescinded**

The Water Security Agency (WSA) is satisfied with *two sets of* negative bacteriological sampling and adequate disinfection residuals and turbidity values from samples that have been collected from the water distribution system following raw water deterioration in quality which caused the high turbidity in the treated water. Therefore, effective immediately the WSA is rescinding the **"Precautionary Drinking Water Advisory"** for the residents and users of the *Village of Broderick* water supply.

For further information, please do not hesitate to contact the undersigned at 306-741-7718 or [scott.klippenstein@wsask.ca](mailto:scott.klippenstein@wsask.ca).

Sincerely,

A handwritten signature in black ink, appearing to read "S. Klippenstein", written over a horizontal line.
